Platform Endorses Taft.

The platform adopted for the state election in September endorses the re-publican national administration from that of President Lincoln through that of President Tatt; declares that the question of prohibition as the settled policy of Maine was decided at the ref-erendum last September, and demands a faithful enforcement of the liquor law as it stands; favors presidential primaries, and accuses the present state administration of incapacity and Ly bribery charges.

TAFT DELEGATES WIN. Republican State Central Committee Seats Them in Michigan.

Bay City, Mich., April 18.—A bitter Eight between Taft and Roosevelt forces for control of the republican state con-vention tomorrow started actively lo-night at a special meeting of the re-publican state central committee at-tended by 17 out of 24 members at

By a vote of 14 to I in the absence of Undirman Frank Knox, who de-giared the meeting illegal, members of the committee voted to unseat former convention. The meeting then took up the question of contested delegates to the state convention and voted to the state convention as against Rooseveit delegations from Detroit (Wayne county) and Battle Creel

London, April 10.—The members of the British cabinet today put the fin-ishing touches to the home rule bill which Premier Asquith is to introduce in the house of commons tomorrow.

Paris, April 10.-Advices from Oudja Algeria, say that a French reconnais-ince under Colonel Feraud has routed 2,500 tribesmen near Debdou after a flerce engagement. The French lost 20 killed and 63 wounded.

Southampton, Eng., April 16.—The new White Star liner Titanic, the big-gest vessel afloat, started from this ort teday at a quarter past 12 on her milden voyage to New York. She arries 250 first class passengers. A arge crowd cheered her as she left-

Paris, April 10.—Practical expression is given in the French budget for 1913, troduced into the chamber of depules today, to the remarkable atriotism now sweeping over France, where many public subscriptions to provide a greater aerial fleet have been opened and hundreds of public meetings have been held on behalf of a stronger France.

ROOSEVELT LIKENED

TO PONTIUS PILATE. Washington Senator Makes Scathing Wausau, Wis., April 10.-Champ Attack on Ex-President.

Clark delegates to the democratic na-tional convention carried the eighth congressional district of Wisconsin, Washington, April 10 - Theodore Washington, April 10 — Theodore Roosevelt was portrayed in the senate today as the counterpart of Pontius Pilate. The picture was drawn by Sen-ator Jones, of Washington, who sketched as the ground-work the re-cent Detroit speech of the former president condemning the votes of the president condemning the votes of the majority members of the Lorimer committee, favorable to the Illinois senator, as not being responsive to the sentiment of their constituencies. "This is the latest rule for judicial action suggested by this self-proclaimed leader of progress," said Senator Jones. "Because we have not followed it we are not progressive, but reactionary. This was the rule of action followed by Filate nearly nineteen hundred years ago. This is the first time I venture to say, in our his-Chicago, April 19.—Figures compiled from returns received up to late to-night failed materially to change the early results of yesterday's primary in Illinois, in which Colonel Roosevelt swept the state in the advisory preference vote for republican presidential candidate, deteating President Taft by about 115,000, and in which Speaker Champ Clark defeated Governor Wil-mon by about 140,000 on the democratic first time I venture to say, in our history or in the history of any civilized people, that Plinte's rule of judicial action has met the approval of any man, save those who would crucify Jesus, and they despise him for following it. St. Louis, Mo., April 10.—Early re-turns of the St. Louis city primaries today indicate that President Taft has carried St. Louis by a large majority and will win the delegations from all but one of the 28 city wards.

"If former President Roosevelt had been standing on one side when Pilate delivered Jesus to the multitude, after having examined into the charges and found no fault in him, but at the demand of the people turned him over to them for crucifixion, he would have clapped his hands and exclaimed

versation among delegates who reached here today to attend the democratic state convention which will assemble lect 90 delegates to the national con-vention in Haltimore. It is conceded by the leaders that the New York delecolleague's comparison of Colonel Roosevelt with Pontius Pilate, asked Senator Jones if he meant to draw a s the lenders that the New 10th dec-ates will not be instructed, although its expected that the state's solid vote-rill be cast for Mayor Gaynor.

"A VITAL NECESSITY."

Absolute Control of Boston and Maine Would Be Great Advantage. New Haven, Conn., April time that been known here for some time that the plan outlined by Governor Foushas been under consideration by him to conference with the higher officers of been under consideration by him in conference with the higher officers of the New York, New Haven and Hartford Railroad company. It is known also that since the control of the Hostomand Maine by the New Haven the exchange of business between the two systems has greatly increased, and in view of the improvements already in progress on the Boston and Maine a much larger increase is looked for.

More intimate physical connection between the two properties which would be promoted by the proposed lease him become thus a matter of almost vital necessity. An advantage to

most vital necessity. An advantage to be gained by such a lease, if in the ordinary terms, would be final and sh-solute control of the Boston and Mains

On the other hand, the minerity stockholders of the Boston and Mains would be assured of a regular dividend, starting probably at not less now paying, and presumptively rising higher in time. Moreover as the New Haven itself through the Boston Holding company now owns a considerable majority of the Boston and Maine stock, the direct burden of the bases

e dispensed with. High officers of the New Haven comloston and Maine are carried through and the new efficiencies created, the
